Mount Saint Mary College

SCHOOL OF BUSINESS

Accounting BS/MBA (5-year program)

BS in Accounting / Master of Business Administration

Students who complete the 5-year course sequence will have an integrated program of graduate studies, incorporating liberal arts strengths with contemporary business management studies and advanced accounting research, leading to a Master's Degree in Business Administration.

Accounting BS/MBA at the Mount

The Accounting BS/MBA program educates students in the fundamentals of accounting as a skill for understanding business.

The program provides specialized instruction in accounting theory, cost management, budgeting, auditing, taxation, accounting systems and accounting as a management tool, leading to a bachelor's degree in Accounting.

Our Accounting faculty members are seasoned professionals with a thorough knowledge of accounting and a passion for teaching. The Accounting curriculum as well as mentoring opportunities prepare our students for rewarding careers in accounting.

Mount Saint Mary College has received specialized accreditation for its Business and Accounting programs through the International Assembly for Collegiate Business Education (IACBE).

"I like that the Mount is challenging, yet worth the challenge. The faculty are always willing to work with you on any problems you have in and out of the classroom."

Anthony Cani
Broad Channel, New York

Career Options

Students completing the Accounting BS/MBA are prepared for careers in corporate, not-for-profit, and government settings. This curriculum fulfills the educational requirements as mandated by New York State for licensure as a certified public accountant.
