

Mount Saint Mary College

SCHOOL OF BUSINESS

Finance

Bachelor of Science in Business Management

The goal of the Business program at the Mount is to provide pre-professional training in business within the context of a comprehensive liberal arts education. Students often frame their future careers from these experiences.

Finance at the Mount

The Finance concentration at Mount Saint Mary College provides skills and tools for students interested in pursuing a career in finance. The concentration is taught by professionals with experience across a wide variety of industries, from Wall Street to Main Street.

With a Finance concentration, you will enhance your Business studies by learning how to:

- Build discounted cash flow models
- Analyze investment decisions
- Manage an investment portfolio and variety of securities
- Understand changing market conditions
- Anticipate and clearly communicate market effects

Business majors at the Mount also benefit from

- Dedicated, experienced faculty
- Visiting speakers and career-related events
- Student Business Association
- Research experience
- Internship opportunities

Accreditation

Mount Saint Mary College has received specialized accreditation for its Business programs through the International Assembly for Collegiate Business Education (IACBE).

“The Mount's Business program is one that supports you and wants you to succeed at the highest level imaginable. With that support and your hard work, anything you set your mind to is possible.”

Steven Tobey
Stratford, CT

Finance

What you will study

Sampling of courses

- Financial Management

Careers

Students are encouraged to develop their critical thinking and communication skills so that they can thrive in organizations of varied sizes in both the for-profit and not-for-profit sectors.

“Finance students at the Mount, upon graduation, will not only have a solid foundation of financial principles, but also, as a result of the Mount's liberal arts curriculum, have the ability to communicate and apply these principles in a wide variety of business roles.”

Thomas Fitzmaurice
Assistant Professor of Finance
